**IN RE: HB2413** by Anchia (Relating to business leave time accounts for police officer employee organizations in certain municipalities.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would amend the Local Government Code to authorize in those municipalities where Chapter 142 has been adopted (Benefits and Working Conditions for Police Officers and Firefighters) that if contributions to business leave accounts for police officers are made as a result of an election by the membership of the employee organization, the transfer would be conducted annually with an opt out period of 30 days before the last month the leave is to be deducted.

**Local Government Impact**

There would be administrative costs involved for a municipality; however, no significant fiscal implication to units of local government is anticipated.
