Committee Report (Substituted)

### **BACKGROUND AND PURPOSE**

The Honor and Remember flag is an important symbol of unwavering support and commitment to those American men and women who have courageously given their lives in selfless service to the country. Interested parties report that the Honor and Remember flag has already been adopted in more than 10 states. C.S.S.B. 1373 seeks to direct state office buildings, the State Cemetery, and each veterans cemetery managed by the Veterans' Land Board to display the Honor and Remember flag on specified days and on any date on which a Texas resident is killed while serving on active duty in the U.S. military.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

### **ANALYSIS**

C.S.S.B. 1373 amends the Government Code to require the Honor and Remember flag to be displayed at each state office building, at the State Cemetery, and at each veterans cemetery managed by the Veterans' Land Board on certain days as specified by the bill and on any date on which a Texas resident is killed while serving on active duty in the U.S. military. The bill requires a facility that will not have staff available to display the Honor and Remember flag on a specified day to instead display the flag on the last preceding day the staff is available and to leave the flag on display on that day.

### **EFFECTIVE DATE**

On passage, or, if the bill does not receive the necessary vote, September 1, 2013.
