### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 943 in the 88th Legislature required digital newspapers to digitally publish notices like the ones seen in printed newspapers to account for the changing consumption habits of consumers from print to digital editions. This bill, S.B. 1062, builds upon that previous bill by stating the types of digital newspapers that may publish notices. This bill provides a public service and generates digital newspapers revenue from the notices.

(Original Author's/Sponsor's Statement of Intent)

C.S.S.B. 1062 amends current law relating to the type of newspaper required for publication of public notices.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
